ATTACHMENT TO NOTICE OF NON-COMPLIANT AMENDMENT SER NO 10/565443

In the interview of April 06, 2009 which stated as follows:

“Attorney Brittany La, Reg No. 58,337, telephoned this Examiner for clarification of the grounds for the Office Action Letter of April 1, 2009 indicating "Failure to Acceptably Respond to Notice of Non-Compliant Amendment" pertaining to Box 4 A and Box E.

Attorney indicated that the response to the first Non-Compliant Amendment of January 30, 2009 indicating Box C and Box E was corrected in accordance with the requirements of Box 2 which recites:

Applicant is given one month, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a Quayle action. **If any of above boxes 1 to 4 are checked, the correction required is only the corrected section of the non-compliant amendment in compliance with 37 CFR 1.121.**

Attorney La indicated that that only correction required were for the claims that had the errors which stated “**previously presented**”, **which errors were corrected in the April 1, 2009 amendment by removing the statement “previously presented”.**”

This Examiner clearly indicated as above that Attorney corrected the claims [see above bold underlined remarks], however, the amendments to the claims status failed to cover all of the claims whereby the status of claims (Withdrawn-previously presented) on page 7 of the current claims were corrected for claims 38-40 but not for claim 41.
